QUALITY MACHINING

With continued investment over many years, we have developed one of the most modern and well equipped mills in the country. Our emphasis is on quality, with experienced and highly skilled machinists ensuring high standards of precision and care.

We are pleased to undertake any size of order, maintaining the same attention to detail throughout. Completed orders are securely banded and wrapped to ensure the timber arrives in good condition.

Sykes Timber machines to order from a range of over 40 timbers to an infinite variety of standard and bespoke sections.
